

# ZONES OF INFLUENCE

Training in Applied Child Development  
3 days over 2 weeks in Central Newcastle  
Thursday 4th, Wednesday 10th, Thursday 11th June

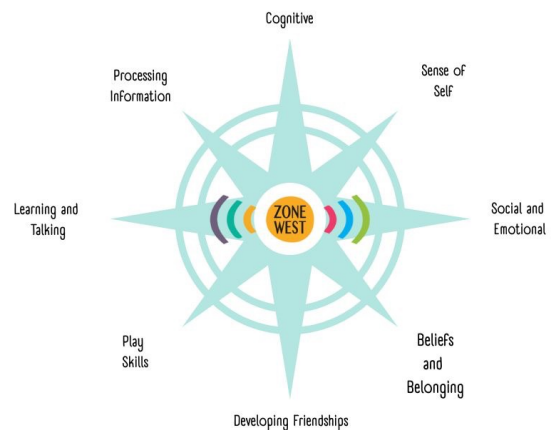

## Four zones bring the **WHOLE** child into focus.

- Address delays in development that prevent a child moving forward
- Explore the interplay between the child's Personal, Social, Exterior and Interior worlds
- Learn how these zones provide a framework for your work supporting children

## The Compass Assessment of a Child's Development

- Formulates a clear picture of the whole child's strengths across Zones.
- Produces reliable data to plan and evaluate progress overtime.

## Developing Activities is a Scheme of Linked Session Plans

- Practical, targeted programmes of work.
- Target promixal development.
- Link children across school, health, social care and community.
- Embed practice across the system of care.
